

AUTOMOTIVE DEALERSHIP PROGRAM

The Pearl Insurance Automotive Dealership Program is dedicated to addressing the specialized commercial insurance needs of new and used automotive dealerships. With over six decades of experience, we know every business is different and one size doesn't fit all.

To us, protection extends beyond a policy. After running three of our own automotive dealerships, we're well-versed in the challenges you face on a daily basis and, more importantly, how to address them.

More Than a Policy

- Tailored coverage solutions from an automotive industry expert
- Claims prevention through extensive risk management tools and services
- Access to a team of professional liability and risk management consultants
- Streamlined renewal process and convenient billing selections
