

GARAGE SPECIALIST PROGRAM

The Pearl Insurance Garage Specialist Program is dedicated to addressing the commercial insurance needs of automotive business owners. With over six decades of experience, we know every business is different, and one size doesn't fit all.

To us, protection extends beyond a policy. We're well-versed in the challenges you face every day and, more importantly, how to address them.

More Than a Policy

- Tailored coverage solutions from an automotive industry expert
- Claims prevention through extensive risk management tools and services
- Access to a team of professional liability and risk management consultants
- Streamlined renewal process and convenient billing selections
- Strategic relationships with several "A" rated insurance companies
